Your Ref. : *Our Ref.*: FUT/SICT/CSC/ORMS/GEN. 1/VOL.1 *Date.*: October 25, 2019

The Centre Leader,
ACEFUELS, FUTO.

Dear Sir.

COST OF SYSTEM UPGRADE FOR ORMS IN ACE-FUELS

Please kindly refer to your memo Ref: FUT/ACE-FUELS/CL/GEN. 1/VOL.1, dated October 8, 2019.

We humbly wish to inform your office on the upgrade of the system server to accommodate the features/modules of the Online result Management System, which includes:

1. Students and Staff Registration.
2. Course Registration and Management.
3. Integration of Payment System with REMITA for seamless fees payments by students.
4. Students' Online Admission Clearance and Efficient Record Management.
5. Personalized Students Page for easier information dissemination and communication.
6. Personalized Staff Page for easier information dissemination, communication and management of their respective office roles.
7. Computer-base Testing (CBT for Objective Exams) and AIS-Examiner (for Online Theory Exams) with Interface Lockdown
8. Marking and Scoring of Students' Exam Scripts.
9. Result Processing and Management.

We itemized below the descriptions and costs for the system upgrade used for Administrative Tasks and Result Processing and Management in ACEFUELS.

S/N	DESCRIPTION/COST	DURATION	ACTIVITIES	KEY DELIVERABLES
